Becoming A Vessel God Can Use

~~ for women of all ages~~

By Donna Partow ; led by Jennifer Gelski

Donna uses biblical examples to demonstrate how God uses ordinary people to accomplish extraordinary things. The basic premise? Every time God intervenes in human history, He does two simple things: first, He chooses the wrong person. Then, He comes up with a seemingly dumb idea. Regardless of her past mistakes or present weaknesses, any woman can be used by God when she discovers the 5-Phase Journey to Becoming a Vessel God Can Use.

"Inheritance"

~~For parents of YOUTH~~

led by Mike Laurence

Passing down a legacy of faith to our children.

This source is intended to help jumpstart a movement for sharing the gospel within the home and for sharing biblical truths from room-to-room within the home, rather than limiting the exchange of life altering wisdom to the campus of the church. This class will meet in the Youth Room in the Family Life Center.

Love & War

~~ for couples of all ages~~

By John & Stasi Eldredge, bestselling authors of *Wild at Heart* And *Captivating*

led by Bro. Glenn & Gwen Shock

With refreshing openness that will grab you from their first words on the Love & War eight-session DVD video study—hosts John and Stasi Eldredge candidly discuss their own marriage and the insights they've gained from the challenges they've faced. Each talks independently about what they've learned, giving their guidance a personal immediacy and balance between the male and female perspectives that has been absent from all previous group studies on this topic.

The Eldredges acknowledge that marriage is fabulously hard, but they advise you that the sooner you get the shame and confusion of the fabled fairytale marriage off your back, the sooner you'll find your way to the real love and happiness you deserve.

With Love & War, you will be shown how to step into the great adventure of a fruitful marriage God has waiting for you and your spouse . . . together.
